

## The World Collaborative Mobility Congress (wocomoco) organised by the Mobility Academy is a climate neutral event.

For the period 07.09.2016 to 08.09.2016, the greenhouse gas emissions related to the event in Warsaw have been measured and offset. The emissions amounted to:

### 68 tonnes of CO<sub>2</sub>e

The Mobility Academy has offset the emissions related to wocomoco by investing in South Pole Group's climate protection project:
